

— Conditions for commission payments to members of ESSENS Club —

1. The claim for commission payments is established to a member of ESSENS Club by achieving any qualification which is defined in ESSENS Marketing Plan, under fulfilling conditions mentioned below. The commissions are calculated and registered by ESSENS. Information about the actual amount of commissions is available to Member on the official ESSENS website in tab My Office – Commissions. Member has the right to use given commissions as a discount on ESSENS products up to 60% of amount for personal order or to receive them in Member's bank account in case that Member is a holder of a relevant trade licence, based on the Request for ESSENS commission payment. Member generates this request on the official ESSENS website in tab My Office – Commissions together with a tax document – invoice. If Member is a VAT payer and proves this fact by a certificate of registration for VAT, the commission will be increased by VAT on tax document – invoice.
2. ESSENS commits itself to process every Request for ESSENS commission payment generated till 15th day of relevant month and pay till 20th day of relevant month with assumption that this request is complete and filled in all the points in conformity with reality. The minimum amount for commission payment is 20€/E.
3. The condition for approval of claim for commission payment for a relevant month of 1st plan from ESSENS Marketing Plan is a personal point turnover achieved on the basis of personal orders – purchases of ESSENS products which are awarded by points in the relevant month in a minimum amount of 20 points.
4. The condition for approval of claim for commission payment for a relevant month of 2nd and 4th plan from ESSENS Marketing Plan is a personal point turnover achieved on the basis of personal orders - purchases of ESSENS products which are awarded by points in the relevant month in a minimum amount of 100 points.
5. The condition for repetitive approval of claim for commission payment in 2nd and 4th plan from ESSENS Marketing plan is completion of the official seminars Leadership Team ESSENS 17%+ and Leadership Team ESSENS 25%+ in dates announced by relevant ESSENS franchise branch.
6. The condition for approval of claim for commission payment for a relevant year of 3rd plan from ESSENS Marketing Plan is a personal point turnover achieved on the basis of personal orders – purchases of ESSENS products which are awarded by points in a calendar year in a minimum amount of 100 points in every month of the relevant year. Additionally, a minimum number of tickets sold for the Kick-Off event is required within the team of the ESSENS partner qualified for the third marketing plan. The exact number of tickets will be confirmed by the country managers.

In case of interruption or cancellation of ESSENS Club Membership, Member loses the claim for cashback application and commission payment, including the claim for commissions which have been previously approved.
